

# Global Warming Webquest – Group Worksheet

Group Members: \_\_\_\_\_

Date: \_\_\_\_\_

1) *How is climate different from weather?*

---

---

---

*How are climate and weather related?*

---

---

---

2) *What is the greenhouse effect?*

---

---

---

*How is amplified warming different from natural warming?*

---

---

---

3) *What factors are most responsible for significant changes in the climate?*

---

---

---

*Which of these are natural causes and which are affected by humans?*

---

---

---

4) *How will humans be impacted by changes in the climate?*

---

---

---

*How will the environment and ecosystems be impacted by global warming?*

---

---

---

5) *On the global level, how do CO<sub>2</sub> emission levels differ from country to country?*

---

---

---

*Which countries produced the most total CO<sub>2</sub> in 2000?*

---

---

---

*Which countries are expected to see a significant increase in their CO<sub>2</sub> emissions by 2025?*

---

---

---
